## DECLARATION UNDER 37 C.F.R. 1.47(a)

Hon. Assistant Commissioner for Patents  
Washington D.C. 20231

Dear Sirs,

I, Jay B. Beatty, hereby declare:

Early in the month of October 1997 I sent a copy of the above mentioned application papers associated with the U.S. Patent application entitled "System and Method for Transporting a Call" (specification, claims, drawings and declaration) using Airborne Express overnight service to Joseph S. Christie and Jean M. Christie in care of their daughter Patricia Klejka.

I received the unsigned Declaration and a written express refusal to sign the Declaration with signatures of Joseph S. Christie and Jean M. Christie. The express refusal states that Joseph S. Christie and Jean M. Christie refused to sign the Declaration because they lacked the knowledge necessary to execute the Declaration. The unsigned Declaration is attached as Exhibit B. The express refusal is attached as Exhibit C.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true;

and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under 19 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
